Dear Dave,

I would like to take this opportunity to express my satisfaction to date with the new Golf Maintenance Turf Care Facility at the Hyannisport Club. The Staff at Acella along with LHS Construction Inc. have been extremely diligent and focused despite the weather this winter. Acella and its management team of Ryan Klebes (Project Manager) and Ken Calder (Project Supervisor) are well organized and always prepared with each phase of construction. They have continued to provide Hyannisport Club with timely up to date construction progress reports every step of the way. Ken Calder has done a great job addressing the subcontractors and managing the job site on a daily basis. Any questions that I have presented to Ken, he has answered in a timely manner.

As the completion of our project nears, I would not hesitate to recommend Acella Construction Corporation to prospective clients.

Please don't hesitate to call me if I can be of any assistance.

Sincerely,

Thomas Colombo, CGCS
